

Prajwal P

COMPUTER SCIENCE

PROFILE

A passionate and dedicated engineering student currently in my third year, sixth semester at KVG College of Engineering (KVGCE). My journey in engineering has been an exciting blend of learning, creativity, and problem-solving.

SKILLS

- Critical Thinking
- Web Development
- Designing
- HTML
- JAVA
- PYTHON

EXPERIENCE

Internship in AWS and Cybersecurity Company :TechByHeart

- Deployed, managed, and monitored cloud services using AWS. Handled tasks such as setting up EC2 instances, S3 buckets, and VPC configurations.
- Conducted regular vulnerability scans and penetration tests to identify and mitigate security vulnerabilities in the company's systems and networks.
